

Title	Authors	Type of Publication	Congress	Venue/Date
Determining laboratory reference intervals for serum immunoglobulins and C-reactive protein – possibilities for new reference ranges	Sakem B, Medina P, Nydegger U, Risch M, Risch L	Poster	Schweiz Ges. Klin Chemie (Jahresversammlung)	Zürich, Nov 2011
Cobalamin Deficiency and its relationship to leukocyte anisocytosis	Risch C, Medina P, Nydegger U, Bahador Z, Brinkmann T, von Landenberg P, Risch M, Risch L	Poster	Schweiz Ges. Klin Chemie (Jahresversammlung)	Zürich, Nov 2011
Thyroid testing in the elderly – a survey in the framework of the seniorlabor study	Medina P, Nydegger U, Risch M, Lenggenhager E, Risch L	Poster	Schweiz Ges. Klin Chemie (Jahresversammlung)	Zürich, Nov 2011
The relationship of leukocyte anisocytosis to holotranscobalamin, a marker of cobalamin deficiency	Risch C, Medina P, Nydegger, UE, Bahador Z, Brinkmann T, von Landenberg P, Risch M, Risch L	Full paper in International Journal of Laboratory Hematology 2011	-	-

Prevalence of prediabetes and undiagnosed diabetes mellitus in the healthy swiss elderly: results from the seniorlabor study	Medina P, Risch M, Nydegger U, Lenggenhager E, Risch L	Poster	Schweiz Ges Klin Chem (Jahresversammlung)	Bulle 2010, Sep
Determining laboratory reference intervals for serum immunoglobulins and C-reactive protein-possibilities for new reference ranges	Sakem B, Nydegger U, Medina P, Risch L, Risch M	Oral communication abstr published in: Swiss Medical Forum 2011; 11(18) FM 255	Schweiz. Ges. Innere Medizin	Lausanne, Mai 2011
Prevalence of prediabetes and undiagnosed diabetes mellitus in the healthy Swiss elderly: results from the seniorlabor study	Medina P, Risch M, Nydegger U, Lenggenhaber E, Risch L	Oral communication abstr published in: Swiss Medical Forum 2011; 11(18) FM 250	Schweiz. Ges. Innere Medizin	Lausanne, Mai 2011
Laboratory reference intervals for serum immunoglobulins and C-reactive protein (CRP)	Sakem B, Nydegger U, Medina P, Lenggenhager E, Risch L, Risch M	Poster	2 nd International Symposium on defects in innate immunity and inflammation	Childrens University Hospital Zurich Feb 2011
Thyroid testing in the elderly – results from the senior labor study	Medina P, Nydegger U, Lenggenhager E, Risch L, Risch M	ePoster 24, Biochimie Annales de Biologie Clinique (in press)	56e Journées Internationales de Biologie	Paris, Nov 2011
